

Presentation Mode

ALEAS BOARD TOOLS & FEATURES

Start or join Presentation Mode

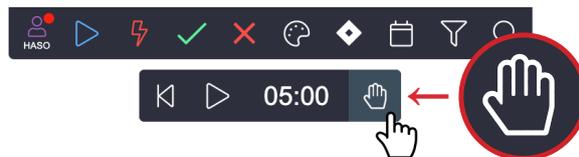

Take over as Presenter

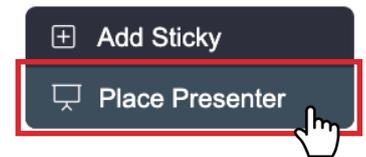

You can take over as Presenter by either

- Moving the pointer

- Clicking the take-over button next to the Scrum Clock

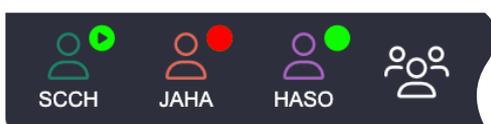

- Placing the pointer with a right mouse click

Start presenting

Click on the sticky you want to talk about. The pointer will automatically jump to the selected sticky.

Team member status

In the Filter Bar you can check if a user has joined presentation mode. There are three user statuses.

- = User is online, Presentation Mode not activated
- ▶ = Presentation Mode activated (following)
- = Current Presenter
